...in Israel

Would this trip be right for YOU?

Every trip to Israel is special and there are multitudes of groups that go. So what are the differentiators on this trip?

- We do on-site faith lessons directly relating the location to Biblical references with application to our lives.
- When possible, we avoid the commercialized tourist sites to give a better feel for what each area was like during Biblical times.
- We immerse ourselves in the land and the culture. While riding on a bus is necessary, we do as little “drive-by” touring as possible.
- Optional hikes are available for those who are interested in truly walking the land.
- Our guide is Jewish and our faith leader is Christian, creating a perfect blend of authentic history and faith.

What does **ALL-INCLUSIVE** include?

- Flights
- ALL meals (breakfast, picnic lunch and dinner)
- Bottled water
- Deluxe air-conditioned touring coach
- Nine nights in hotels (plus two nights on flights)
- Travel insurance
- ALL gratuities and tips
- Fully guided touring every day including all entrance fees to historical sites
- Extremely knowledgeable and experienced Israeli tour guide, Boaz Shalgi
- On-site faith lessons taught by Rev. David Wachter, specialist in Jewish roots of Christianity
